1 1 1

Silkwood delivers a living experience that is distinctly welcoming and without equal.

With sculpted balconies that flow organically around the building, these generously proportioned 1 - bedroom apartments are elevated with some taking in views of the golf course and to the city beyond.

Every space is generously layered with quality finishes that exemplify richness of character, depth and sophistication. Each apartment is finely tuned to maximize the living space of each floor. Subtle touches like gold detailing and reconstituted stone counter tops complete the refined palette.
