

Unit 115/5 Pyrmont Bridge Road Camperdown NSW

2  2  1 

Contemporary, liberated and cool is Camperdown's 'DNA', the latest creation by award winning Marchese architects. The apartments are distinctively metropolitan in a series of low-rise buildings that encircle landscaped chill-out gardens.

From the design function of the spacious kitchens, to the placement of bedrooms away from the living zones, the layout is brilliantly considered and definitely designed for life.

Located moments to Camperdown's cafes and restaurants as well as the vibrant hubs of Forest Lodge, Annandale and Harold Park, and only a short distance to public transport and main roads is this immaculately presented home.
